

Looking for my HARRIS Family in Brazoria Co., TX

Posted by rootsman764 - 2013/04/12 10:39

My great great-grandfather was Calvin HARRIS, b. 1839, d. 1897. He married Emily ANDERSON. They lived in West Columbia, TX. Trying to find out where they lived prior to 1870 US Census. It appears on that same census record that he had three children prior to his marriage to my great great-grandmother Emily.
